

Dear Student,

Thank you for considering standing to be a council member on Glasgow University's Students' Representative Council.

Getting involved in the SRC is a great way to meet new people, build your CV and help improve the student experience for everyone. Whether you're running to be a School Representative, a College Convenor, a Welfare Officer, or a Sabbatical Officer, the decision to get involved and represent students may be one of the best decisions you've made at Glasgow.

The Students' Representative Council represents students on a number of university committees at different levels. From University Court to the Student Experience Committee, we deal with issues such as library access, student welfare, teaching spaces, accommodation, catering and much more. Please contact us if you would like a full list of the committees on which the SRC has a seat.

Although representation is a key focus, we do a lot more than that, our sabbatical officers and council members organise events that are a focal point of the University's calendar and benefit students and the wider community. We have annual events such as Raising and Giving week, the Student Teaching Awards, the Volunteering Clubs and Society Awards, Black History Month and many more. We have led a number of campaigns around preventing sexual violence, suicide prevention and increasing support for student parents and carers. Council members are also invited to a wealth of social events, ranging from Christmas socials to the Annual Council Dinner in spring.

There are a number of other ways you can get involved in the work the SRC does, such as through Volunteering, Student Media or helping with Freshers' Week. I hope that your interest in supporting the student body on a wide range of issues will continue and that you will involve yourself with the SRC and its varied schedule of events throughout the year.

Being part of the SRC is an amazing experience; I have loved every second of it and my only regret is that I didn't get involved earlier in my University career.

Best of luck with your campaign and remember if you have any questions feel free to email elections@src.gla.ac.uk with any questions.

Yours sincerely,

Liam Brady

SRC President

1 x PG College Convenor – Social Sciences

1 x PG College Convenor – Science & Engineering

1 x PG College Convenor – Medical Veterinary and Life Sciences

1 x PG College Convenor – Arts

Job Description

The SRC recognises that Postgraduate students require dedicated representation on academic and social issues. A Postgraduate Convenor, therefore, represents the Postgraduate students of their college. In this way, their role is similar to that of a College Convenor, but their specialised knowledge of the Postgraduate community tailors them to a more specific group. Four Convenors are elected, one from each College: Science and Engineering, Medical Veterinary and Life Sciences, Arts, and Social Sciences. The responsibilities of a Postgraduate Representative can vary greatly, and they are an integral part of Council's function. Responsibilities include, but are not limited to:

- Working together in organising working groups to discuss issues raised by students
- Informing Council and liaising regularly with the VP Education and President
- Attending College Meetings with relevant members of University staff to discuss issues regarding the University environment, the learning process, and course information
- Contacting students to advise them of SRC practices and initiatives, and to update students on any issues raised
- Awareness of the wider issues affecting Postgraduate students at a local and national level

- Engage with postgraduate community via user groups and the Gilchrist Postgraduate Club

In addition to these responsibilities, Postgraduate Convenors are expected to attend all Student Council meetings and University Senate meetings and must occasionally represent the SRC on relevant University academic committees. Opportunities will also arise for election to various University committees and positions. The position of Postgraduate Representative is, therefore, challenging and rewarding in equal measure.

SRC Committees and Working Groups

The SRC may establish sub committees or working parties to consider certain areas of its work and sometimes consider policy motions. College Convenors may participate in the work of such committees and groups (and can suggest the establishment of new groups or committees).

University Committees

Council votes in autumn to elect members to sit on a variety of University committees, including Library Committee, Museums and Galleries Committee, Senate, Senate Disciplinary and Student Support Development Committee. Please contact the PA to the Permanent Secretary for a full list of committees.

NON SABBATICAL POSITIONS

Candidates are encouraged to keep receipts, for any spending on their campaign made within the campaign period should any allegations of overspend arise.

Candidates must not spend more than £50

These are absolutely not targets or guidelines for what candidates should spend but are an upper limit of what is permitted. Candidates should feel no pressure to spend to the limit as campaign spend and electoral success do not correlate. Candidates are encouraged to think creatively about how they are engaging with students during the campaign period.

Only members may make an allegation of overspend by a candidate. Any allegation must be made in writing to the Deputy Returning Officer (elections@src.gla.ac.uk). No allegations received 48 hours after the announcement of results will be investigated or considered.

The Returning Officer shall decide whether to investigate any allegations of overspend and retains the right to invalidate the nomination of the offending candidate or disqualify a successful candidate subject to their discretion.

If it is not possible to produce receipts of spending on campaign materials, then materials will be counted at the average cost of comparable material purchased by other candidates.

10. INFRINGEMENTS

Any malpractice leading to an infringement of these or other rules governing an election should be reported to the Deputy Returning Officer or SRC President, who will immediately inform the Returning Officer. The Returning Officer retains the right to invalidate the nomination of the offending candidate or disqualify a successful candidate subject to their discretion.

11. POLLING

i. All elections will be held by secret ballot which will normally be online and will be decided by the following single transferable voting system:

- Online ballot papers will be marked in order of preference
- Voters will have the option to spoil their ballot paper by clicking on the appropriate box
- In the Spring elections, all sabbatical positions and uncontested positions will allow students to vote to "Re-Open Nominations"
- The number of votes required to secure election shall be:

Total No. of Votes Cast - (Total No. NTS) +1

Number of Vacancies +1

This figure will be referred to as the quota.

NTS = Non-Transferable and spoilt votes.

- If a candidate receives more than the quota, all that candidate's votes will be split according to the next available voting preference.
- If no candidate in any count fulfils the quota the votes cast for the bottom candidate in the count will be divided according to the next available candidate. If more than one candidate ties for bottom place in the count, the candidate with fewest first preferences will be eliminated. If this occurs in the first round, it will be decided by drawing lots.

12. RECYCLING DURING ELECTIONS

i. Campaigning can create a lot of waste and mess across campus. As a candidate you are responsible for ensuring that all of your campaign materials are removed from campus before the results are announced. Please encourage your voters and fellow campaign team to recycle any used materials.

13. RESULTS

- i. The results of the election will be supervised by the Returning Officer.
- ii. The declaration of results shall take place after the election ends at around 6.30 p.m. on Thursday 4th March (location/links will be publicised on SRC Media platforms).
- iii. In the event of a tie, a by-election will be held for the seat in question. All questions relative to the validity of an election must be submitted to the Returning Officer within 48 hours of announcement of the result. Decisions on any such questions shall be made by the Returning Officer, who may consult with the Secretary of the University Court. If any election is declared invalid, a by-election will be held.
