K Borrowdale is in the process of sending out awards to the ‘Top 5 most complained about landlords’. She thanked the Advice Centre for coming up with the name for the award.

6.3.2 Equality & Diversity Officer
S Campbell asked about this. K Borrowdale explained that interviews for this position will take place next month and she will be on the interview panel.

7 CONVENORS, OFFICERS & COURT ASSESSOR’S REPORTS

7.1 Jennifer Wightwick, Mature Students’ Officer

7.1.1 Hunterian Museum
J R Wightwick informed Council she recently had lunch with the Director of the Hunterian Museum and a member of Computing Science. They discussed where museum items are stored and also issues that might be raised at committee meetings. They also talked about the Visitor Centre taking over the John McIntyre Building and were completely unaware there was concern about this.

S Morrison updated Council on the situation and it was noted that a draft response to the Estates Strategy, particularly in relation to the John McIntyre Building had been produced and this will be raised at the next Court Meeting. She also hopes to meet soon with the Secretary of Court and the Director of Estates & Buildings to discuss the situation. Any further comments would be welcome in order that S Morrison can put them forward at Court. It was proposed a tour of the building or a formal launch of the Williams Room could be arranged and University staff invited along to give them the opportunity to see the range of activities the SRC can provide.
8 Advice, Policy & Training Officer
S Morrison introduced Lesley Walker, one of the APTOs to members.

9 ABSENCE POLICY
S Morrison is a member of the Absence Policy Working Group who have compiled a document regarding self certification for students who miss lectures or classes. She circulated copies of the document and asked members to submit any comments to her.

10 NSS
This is now finished and a debriefing meeting had taken place. S Morrison informed the University that this takes up far too much of a Sabbatical's time and she will be advising the new Executive to hire in someone to coordinate it, if it isn't done by the University. The response rates haven’t been as high as last year. S Morrison will circulate her report and would welcome any feedback.

11 COUNCIL/EXEC MEMBERS’ REPORT BACK FORM
This will be circulated in a word document. It is hoped the new Executive will encourage members to complete them.

12 HEALTH & SAFETY UPDATE (BOYD ORR CEILING TILES)
A report by the Senior Advice, Policy & Training Officer had been circulated to members for information. It was noted that the rooms in the Boyd Orr Building which have metal ceiling tiles have now been assessed as ‘Good’ (no loose tiles), ‘Fair’ (1-4 loose tiles) or ‘Poor’ (5 or more loose tiles). These rooms will now be monitored closely, i.e. ‘Poor’ rooms checked once a fortnight and ‘Fair’ rooms checked once a month. This information will be compiled into a register which the SRC will have access to. After discussion it was agreed to seek clarification as to what monitoring means and how much it would cost to replace the worst tiles. Council were happy to accept the situation provided it is checked in a couple of months to find out how Estates & Buildings have been monitoring the situation and checking if there is a mechanism in place to replace the tiles.

Council wished to minute their thanks to H Speirs for producing the report.

13 AOCB

13.1 Sign Language Training
This will take place on Tuesday, 29 May in the Williams Room at 3pm and L Walker, one of the Advice, Policy & Training Officer’s will be delivering it. Anyone interested in attending should let K Borrowdale know. It is hoped to repeat it later in the year. Council agreed to S Campbell’s suggestion of having a signer at Freshers’ Address.

13.2 Commemoration Day
Any Senate member wishing to attend Commemoration Day on Wednesday 20 June should let S Morrison know asap.

This takes place on Friday, 1 June and S Morrison reminded members to return their reply slip.

13.5 Council Tax Survey
S Morrison reported that the Principal had received a letter from Jack McConnell stating that Glasgow City Council will no longer be charging international students’ spouses Council Tax. Council were delighted with this news.

13.6 Last Meeting
As this was S Morrison’s last meeting, after two years, she thanked everyone for their hard work and commitment over the year/s. She wished the new Sabbatical Officers good luck for next year and lots of luck for the future.

13.7 Thanks
On behalf of Council, S Campbell thanked Shona for her service and dedication over the last two years and to Kat, Mhairi & David for their hard work over the last year and for their leadership.

13.8 Shona’s Musical Performance
Council noted that G Brown was disappointed he wouldn’t be attending the Council Dinner this year and would miss a repeat of Shona’s piano playing - this had been a highlight of his evening last year. Shona was slightly concerned that this was how her two years’ would be remembered but N Jennings reassured Council that the piano had now been removed from the College Club!

The meeting closed at 7.30 p.m.
