*1 x Postgraduate Convenor – Social Sciences*

*1 x Postgraduate Convenor – Science & Engineering*

The SRC recognizes that Postgraduate students require dedicated representation on academic and social issues. A Postgraduate Convenor, therefore, represents the Postgraduate students of their college. In this way, their role is similar to that of a College Convenor, but their specialised knowledge of the Postgraduate community tailors them to a more specific group. Four Convenors are elected, one from each College: Science and Engineering, Medical Veterinary and Life Sciences, Arts, and Social Sciences. The responsibilities of a Postgraduate Representative can vary greatly, and they are an integral part of Council's function. Responsibilities include, but are not limited to:

- Working together in organising working groups to discuss issues raised by students;
- Informing Council and liaising regularly with the VP Education and President
- Attending College Meetings with relevant members of University staff to discuss issues regarding the University environment, the learning process, and course information;
- Contacting students to advise them of SRC practices and initiatives, and to update students on any issues raised
- Awareness of the wider issues affecting Postgraduate students at a local and national level
- Engage with postgraduate community via user groups and the Gilchrist Postgraduate Club

In addition to these responsibilities, Postgraduate Convenors are expected to attend all Student Council meetings and University Senate meetings, and must occasionally represent the SRC on relevant University academic committees. Opportunities will also arise for election to various University committees and positions. The position of Postgraduate Representative is, therefore, challenging and rewarding in equal measure.

**SRC Committees and Working Groups**

The SRC may establish sub committees or working parties to consider certain areas of its work and sometimes consider policy motions. College Convenors may participate in the work of such committees and groups (and can suggest the establishment of new groups or committees).

**University Committees**

Council votes in autumn to elect members to sit on a variety of University committees, including Library Committee, Museums and Galleries Committee, Senate, Senate Disciplinary and Student Support Development Committee. Please contact the PA to the Permanent Secretary for a full list of committees.

Dear Student,

Thank you for considering standing to be a council member on Glasgow University's Student Representative Council.

Getting involved in the SRC is a great way to meet new people, build your CV and help improve the student experience for everyone. Whether you're running to be a School Representative, a College Convenor, a Welfare Officer, First Year or General Representative the decision to get involved and representative students may be one of the best decisions you've made at Glasgow.

The Students' Representative Council represents students on a number of university committees at different levels. From University Court to Student Support Development we deal with issues such as library access, student welfare, teaching spaces, accommodation catering and much more. Please contact us if you would like a full list of the committees on which the SRC has a seat.

We also do a lot out with representation, our sabbatical officers and council members organise events that are a focal point of the University's calendar and benefit students and the wider community. We have annual events such as Raising and Giving week, the Student Teaching Awards, the Volunteering Clubs and Society Awards, Black History Month and many more. We have led a number of campaigns including preventing sexual violence, suicide prevention and increasing support for student parents and carers. Council members are also invited to a wealth of social events, ranging from Christmas socials to the Annual Council Dinner in spring.

There are also a number of other ways you can get involved in the work the SRC does, such as through Volunteering, Student Media or helping with Freshers' Week. I hope that your interest in supporting the student body on a wide range of issues will continue and that you will involve yourself with the SRC and its varied schedule of events throughout the year.

Being part of the SRC is an amazing experience; I have loved every second of it. Best of luck with your campaign and remember if you have any questions feel free to email - [elections@src.gla.ac.uk](mailto:elections@src.gla.ac.uk) with any questions.

Yours sincerely,

Kate Powell  
SRC President

All elections will be held by secret ballot which will normally be online and will be decided by the following system:

- Online ballot papers will be marked in order of preference
- Voters will have the option to spoil their ballot paper by clicking on the appropriate box
- In the Spring elections, all sabbatical positions and uncontested positions will allow students to vote to "Re-Open Nominations"
- The number of votes required to secure election shall be:

$$\frac{\text{Total No. of Votes Cast} - (\text{Total No. NTS}) + 1}{\text{Number of Vacancies} + 1}$$

This figure will be referred to as the quota.  
NTS = Non-Transferable and spoilt votes.

- If a candidate receives more than the quota all that candidate's votes will be split according to the next available preference.
- If no candidate in any count fulfils the quota the votes cast for the bottom candidate in the count will be divided according to the next available candidate. If more than one candidate ties for bottom place in the count, the candidate with fewest first preferences will be eliminated. If this occurs in the first round, it will be decided by drawing lots.

## RESULTS

The Returning Officer will announce the results and it shall take place in Room 201, McIntyre Building at around 6.30 p.m. on Thursday 12th October 2017.

In the event of a tie, a by-election will be held for the seat in question.

## INFRINGEMENTS

Any alleged infringements should be reported to the **Deputy Returning Officer or SRC President**, who will immediately inform the Returning Officer. The Returning Officer shall decide whether to investigate any allegations and retains the right to invalidate the nomination of the offending candidate, or disqualify a successful candidate subject to their discretion.

Only allegations made from the close of nominations to 48 hours after the announcement of the result will be investigated or considered.

The Returning Officer retains the right to consult with the Secretary of Court however the decision of the Returning Officer is final.

# MANIFESTO GUIDE

Your manifesto gives you an important opportunity to tell the electorate why they should vote for you. The following is guide to the sort of things that often appear in manifestos and a few rules.

## PERSONAL INFORMATION AND RELEVANT EXPERIENCE

You may want to give some personal information about yourself. Such as your course, year of study, if you are postgraduate/ undergraduate, and link this to any relevant experience you have for the position you are standing for. This may include membership of any university groups and activities outwith the University. It is common to state a few specific things you have done within that group/ activity or in any role you held, and link them to the functions of the position you are standing for.

## VIEWS ON RECENT POLICY DEVELOPMENTS

You should use the information provided with this pack to inform yourself of the latest strategic and policy developments for the University and SRC. You may wish to state your views on these developments as well as any relevant recent events.

## WHAT YOU WILL DO IF ELECTED

This is arguably the most important part of the manifesto, as it gives students an idea of how you would carry out the role and of the direction in which you would want to take the services and activities within the remit. Most candidates make at least a few specific pledges, giving an indication of their priorities for the coming year.

## BASIC RULES

- The word limit is 500 words for Sabbatical positions and 200 for all other positions

- It does not contain any offensive or factually inaccurate material (The Returning Officer will judge whether something is offensive or factually inaccurate).

You must **send an electronic copy of your manifesto** to [elections@src.gla.ac.uk](mailto:elections@src.gla.ac.uk) before the close of nominations
