SPONSORS REQUIRED – 6

SPONSOR ELIGIBILITY –

- **Must be a fully registered student of the University of Glasgow.**
- **Must be taking classes in the school in which the candidate being sponsored is standing.**

POSITIONS AVAILABLE – 1 per School

1 x School of Geographical & Earth Sciences
1 x School of Education
1 x School of Physics and Astronomy

School Representatives represent the students who make up the eighteen Schools at Glasgow University. The role is primarily academic, with representatives taking an active role in representing the views of the students at a more localized level than the College Convenors. School Representatives will be expected to liaise regularly with Class Representatives to discuss issues of importance to Staff Student Liaison Committee meetings and will report directly to the relevant College Convenor to ensure good communication at all levels. They are responsible for representing the views and concerns of students within their School and should therefore have a good working relationship with relevant Class Representatives. Only matriculated students studying within a particular School may represent their School on Council.

In addition to these responsibilities, School Representatives are required to attend all full meetings of Council, though they may attend Council Committee if they wish. They may also be required to represent the SRC on relevant academic committees. Opportunities may also arise for election to various University committees and positions. The position of School Representative is a vital link in effective student representation at a local level, and a good working relationship with College Convenors and Class Representatives is essential.

SRC Committees and Working Groups

The SRC may establish sub committees or working parties to consider certain areas of its work and sometimes consider policy motions. College Convenors may participate in the work of such committees and groups (and can suggest the establishment of new groups or committees).

University Committees

Council votes in autumn to elect members to sit on a variety of University committees, including Library Committee, Museums and Galleries Committee, Senate, Senate Disciplinary and Student Support Development Committee. Please contact the PA to the Permanent Secretary for a full list of committees.

Dear Student,

Thank you for considering standing to be a council member on Glasgow University's Student Representative Council.

Getting involved in the SRC is a great way to meet new people, build your CV and help improve the student experience for everyone. Whether you're running to be a School Representative, a College Convenor, a Welfare Officer, First Year or General Representative the decision to get involved and representative students may be one of the best decisions you've made at Glasgow.

The Students' Representative Council represents students on a number of university committees at different levels. From University Court to Student Support Development we deal with issues such as library access, student welfare, teaching spaces, accommodation catering and much more. Please contact us if you would like a full list of the committees on which the SRC has a seat.

We also do a lot out with representation, our sabbatical officers and council members organise events that are a focal point of the University's calendar and benefit students and the wider community. We have annual events such as Raising and Giving week, the Student Teaching Awards, the Volunteering Clubs and Society Awards, Black History Month and many more. We have led a number of campaigns including preventing sexual violence, suicide prevention and increasing support for student parents and carers. Council members are also invited to a wealth of social events, ranging from Christmas socials to the Annual Council Dinner in spring.

There are also a number of other ways you can get involved in the work the SRC does, such as through Volunteering, Student Media or helping with Freshers' Week. I hope that your interest in supporting the student body on a wide range of issues will continue and that you will involve yourself with the SRC and its varied schedule of events throughout the year.

Being part of the SRC is an amazing experience; I have loved every second of it. Best of luck with your campaign and remember if you have any questions feel free to email - elections@src.gla.ac.uk with any questions.

Yours sincerely,

Kate Powell
SRC President

$$\frac{\text{Total No. of Votes Cast} - (\text{Total No. NTS}) + 1}{\text{Number of Vacancies} + 1}$$

- If a candidate receives more than the quota all that candidate's votes will be split according to the next available preference.
- If no candidate in any count fulfils the quota the votes cast for the bottom candidate in the count will be divided according to the next available candidate. The Returning Officer retains the right to consult with the Secretary of Court however the decision of the Returning Officer is final.

MANIFESTO GUIDE

Your manifesto gives you an important opportunity to tell the electorate why they should vote for you. The following is guide to the sort of things that often appear in manifestos and a few rules.

PERSONAL INFORMATION AND RELEVANT EXPERIENCE

You may want to give some personal information about yourself. Such as your course, year of study, if you are postgraduate/ undergraduate, and link this to any relevant experience you have for the position you are standing for. This may include membership of any university groups and activities outwith the University. It is common to state a few specific things you have done within that group/ activity or in any role you held, and link them to the functions of the position you are standing for.

VIEWS ON RECENT POLICY DEVELOPMENTS

You should use the information provided with this pack to inform yourself of the latest strategic and policy developments for the University and SRC. You may wish to state your views on these developments as well as any relevant recent events.

WHAT YOU WILL DO IF ELECTED

This is arguably the most important part of the manifesto, as it gives students an idea of how you would carry out the role and of the direction in which you would want to take the services and activities within the remit. Most candidates make at least a few specific pledges, giving an indication of their priorities for the coming year.

BASIC RULES

- The word limit is 500 words for Sabbatical positions and 200 for all other positions

- It does not contain any offensive or factually inaccurate material (The Returning Officer will judge whether something is offensive or factually inaccurate).

You must **send an electronic copy of your manifesto** to elections@src.gla.ac.uk before the close of nominations
