Dear student,

Thank you for considering putting yourself forward for a position on Glasgow University Students’ Representative Council – the SRC! We have been running for over 130 years, to represent students, and ensure the student voice is recognised right up to the highest levels.

We are a Council made up of 47 students. In the upcoming election, whether you are considering standing as a Welfare and Equal Opportunities Officer, Undergraduate or Postgraduate College Convener, School Representative, or full-time Sabbatical Officer - you have already taken the first steps on an incredible journey. You will be the voice of thousands. You will have the opportunity to create positive change. You will have direct input into wider developments across the institution. And you will also have fantastic experience, meeting new people, and further develop interpersonal and professional skills that will be recognised on your academic transcript.

The SRC represents students on a broad range of University committees, including the institutions governing bodies the Council of Senate, to which the SRC has 12 representatives, and University Court, to which a Court Representative is elected from Council as well as the SRC President. Other committees deal with issues such as: library and computer provision, student and welfare support, teaching facilities, halls of residence, catering and much more. Please contact us if you would like a full list of the committees on which there is SRC representation.

The SRC has an active presence on campus and runs a variety of events and campaigns throughout the year. These are a focal point of the University’s calendar, and enhance the experience of the wider student population. Some of what we do includes – Raising and Giving (RAG) events, Welfare Events, Refreshers’ Week, Volunteer Week, International Women’s Week, Student Teaching Awards, or being a part of the organisation of Freshers’ Week next year. Council members will also be invited to a wealth of social events ranging from Christmas socials, to our Annual Council Dinner in the spring.

There are also a number of other ways you can get involved in the work of the SRC, such as through Volunteering, Student Media, our Publicity Team, or our RAG Committee. I sincerely hope that your interest in supporting the student body on a wide range of issues will grow, and that you will get involved with the wide range of events, activities, and campaigns we run to further engage with the wider student body.

Being part of the SRC is an incredible experience. It’s an opportunity to make significant changes across the University, as well as a way to learn a number of new skills and meet some great people. One of the best decisions I made at University was to get involved with the SRC. I wish you the very best of luck with your election campaign, and if you have any questions, please hesitate to get in touch at any time at – president@src.gla.ac.uk

Yours sincerely,

Kate Powell

GUIDE TO PRODUCING A MANIFESTO

Your manifesto gives you an important opportunity to tell the electorate why they should vote for you. There are no set rules as to what should be contained in a manifesto, but the following is a guide to the sort of things that often appear in them.

- **Personal information.**
  You may want to give some personal information such as your course or year of study. This part is usually kept fairly short.

- **Relevant experience.**
  Many candidates state experience they have which may be relevant to the position they are standing for. This may include membership of any university groups and activities out with the University. It is common to state a few specific things you have done within that group/activity or in any role you held, and link them to the functions of the position you are standing for.

- **Views on current/recent events.**
  You may wish to state your opinions on events relevant to the functions of the SRC or to the remit of the specific position you are standing for. This gives voters the chance to see whether or not your views are similar to theirs.

- **What you will do if elected.**
  This is arguably the most important part of the manifesto, as it gives students an idea of how you would carry out the role and of the direction in which you would want to take the services and activities within the remit. Most candidates make at least a few specific pledges, giving an indication of their priorities for the coming year.

It is important to remember that the points above are just a guide to things which are often included in manifests. You do not have to include all of these elements, or indeed any of them.

In your manifesto, you can write what you like, so long as:

- It does not exceed the word limit (500 words for Sabbatical positions, 200 for all other positions),
- It does not contain any offensive or factually inaccurate material (The Returning Officer may judge whether something is offensive or factually inaccurate).

This rule is in the SRC election regulations, and so must be adhered to.

Please send an electronic copy of your manifesto to elections@src.gla.ac.uk

8. SPENDING LIMITS

SABBATICAL POSITIONS

Candidates must submit receipts, for any spending on their campaign before 4pm the day after the close of polling.

Candidates must not spend more than £200.

NON SABBATICAL POSITIONS

Candidates are encouraged to keep receipts, for any spending on their campaign made within the campaign period should any allegations of overspend arise.

Candidates must not spend more than £50

These are absolutely not targets or guidelines for what candidates should spend but are an upper limit of what is permitted. Candidates should feel no pressure to spend to the limit as campaign spend and electoral success do not correlate. Candidates are encouraged to think creatively about how they are engaging with students during the campaign period.

Only members may make an allegation of overspend by a candidate. Any allegation must be made in writing to the Deputy Returning Officer (elections@src.gla.ac.uk). No allegations received 48 hours after the announcement of results will be investigated or considered.

The Returning Officer shall decide whether to investigate any allegations of overspend and retains the right to invalidate the nomination of the offending candidate, or disqualify a successful candidate subject to their discretion.

If it is not possible to produce receipts of spending on campaign materials, then materials will be counted at the average cost of comparable material purchased by other candidates.

9. INFRINGEMENTS

Any malpractice leading to an infringement of these or other rules governing an election should be reported to the Deputy Returning Officer or SRC President, who will immediately inform the Returning Officer. The Returning Officer retains the right to invalidate the nomination of the offending candidate, or disqualify a successful candidate subject to their discretion.
10. POLLING

i. All elections will be held by secret ballot which will normally be online and will be decided by the following single transferable voting system:

- Online ballot papers will be marked in order of preference
- Voters will have the option to spoil their ballot paper by clicking on the appropriate box
- In the Spring elections, all sabbatical positions and uncontested positions will allow students to vote to “Re-Open Nominations”
- The number of votes required to secure election shall be:

\[
\text{Total No. of Votes Cast} - (\text{Total No. NTS}) + 1 \\
\text{Number of Vacancies} + 1 \\
\text{NTS} = \text{Non-Transferable and spoilt votes.}
\]

- If a candidate receives more than the quota, all that candidate's votes will be split according to the next available voting preference.
- If no candidate in any count fulfils the quota the votes cast for the bottom candidate in the count will be divided according to the next available candidate. If more than one candidate ties for bottom place in the count, the candidate with fewest first preferences will be eliminated. If this occurs in the first round, it will be decided by drawing lots.

11. RECYCLING DURING ELECTIONS

Campaigning can create a lot of waste and mess across campus. As a candidate you are responsible for ensuring that all of your campaign materials are removed from campus before the results are announced. Please encourage your voters and fellow campaign team to recycle any used materials.

12. RESULTS

i. The results of the election will be supervised by the Returning Officer.

ii. The declaration of results shall take place in Room 201, McIntyre Building after the election ends at around 6.30 p.m. on Thursday 1st March 2018.

iii. Candidates who are present at the declaration shall be informed of the result of the election by the Returning Officer beforehand if they chose to be.

iv. In the event of a tie, a by-election will be held for the seat in question. All questions relative to the validity of an election must be submitted to the Returning Officer within 48 hours of announcement of the result. Decisions on any such questions shall be made by the Returning Officer, who may consult with the Secretary of the University Court. If any election is declared invalid, a by-election will be held.
