

Dear Student,

Thank you for considering standing to be a council member on Glasgow University's Students' Representative Council.

Getting involved in the SRC is a great way to meet new people, build your CV and help improve the student experience for everyone. Whether you're running to be a School Representative, a College Convenor, a Welfare Officer, First Year or General Representative the decision to get involved and represent students may be one of the best decisions you've made at Glasgow.

The Students' Representative Council represents students on a number of university committees at different levels. From University Court to the Student Experience Committee we deal with issues such as library access, student welfare, teaching spaces, accommodation, catering and much more. Please contact us if you would like a full list of the committees on which the SRC has a seat.

Although representation is a key focus, we do a lot more than that, our sabbatical officers and council members organise events that are a focal point of the University's calendar and benefit students and the wider community. We have annual events such as Raising and Giving week, the Student Teaching Awards, the Volunteering Clubs and Society Awards, Black History Month and many more. We have led a number of campaigns around preventing sexual violence, suicide prevention and increasing support for student parents and carers. Council members are also invited to a wealth of social events, ranging from Christmas socials to the Annual Council Dinner in spring.

There are a number of other ways you can get involved in the work the SRC does, such as through Volunteering, Student Media or helping with Freshers' Week. I hope that your interest in supporting the student body on a wide range of issues will continue and that you will involve yourself with the SRC and its varied schedule of events throughout the year.

Being part of the SRC is an amazing experience; I have loved every second of it and my only regret is that I didn't get involved earlier in my University career.

Best of luck with your campaign and remember if you have any questions feel free to email <u>elections@src.gla.ac.uk</u> with any questions.

Yours sincerely,

Scott Kirby

# ELECTION PACK GUIDE TO POSITIONS AVAILABLE UNDERGRADUATE COLLEGE CONVENOR

#### **SPONSORS REQUIRED - 15**

#### **SPONSOR ELIGIBILITY -**

- must be fully registered student of the University of Glasgow
- must be studying in the college which the candidate they are sponsoring is standing
- must be an undergraduate

#### **POSITIONS AVAILABLE - 2**

1 x College Convenor – Social Sciences 1 x College Convenor – Arts

College Convenors are focused mainly with the academic side of student representation. Four Convenors are elected, one from each College: Science and Engineering, Medical Veterinary and Life Sciences, Arts, and Social Sciences. The responsibilities of an academic College Convenor can vary greatly, and they are an integral part of Council's function. Responsibilities include, but are not limited to:

- Organizing working groups to discuss issues raised by students:
- Keeping Council informed of ongoing issues and regularly liaising with the VP Education;
- Attending Faculty Meetings with relevant members of University staff to discuss issues regarding the University environment, the learning process, and course information;
- Contacting students to advise them of SRC practices and initiatives, and to update students on any issues raised.

In addition to these responsibilities, College Convenors are expected to attend all Student Council meetings and University Senate meetings, and must occasionally represent the SRC on relevant University Academic Committees. Opportunities will also arise for election to various University committees and positions. The position of College Convenor is, therefore, challenging and rewarding in equal measure.

#### **SRC Committees and Working Groups**

The SRC may establish sub committees or working parties to consider certain areas of its work and sometimes consider policy motions. College Convenors may participate in the work of such committees and groups (and can suggest the establishment of new groups or committees).

#### **University Committees**

Council votes in autumn to elect members to sit on a variety of University committees, including Library Committee, Museums and Galleries Committee, Senate, Senate Disciplinary and Student Support Development Committee. Please contact the PA to the Permanent Secretary for a full list of committees.

# ELECTION PACK GUIDE TO PRODUCING A MANIFESTO

Your manifesto gives you an important opportunity to tell the electorate why they should vote for you. There are no set rules as to what should be contained in a manifesto, but the following is a guide to the sort of things that often appear in them.

#### Personal information.

You may want to give some personal information such as your course or year of study. This part is usually kept fairly short.

#### Relevant experience.

Many candidates state experience they have which may be relevant to the position they are standing for. This may include membership of any university groups and activities out with the University. It is common to state a few specific things you have done within that group / activity or in any role you held, and link them to the functions of the position you are standing for.

#### Views on current / recent events.

You may wish to state your opinions on events relevant to the functions of the SRC or to the remit of the specific position you are standing for. This gives voters the chance to see whether or not your views are similar to theirs.

#### · What you will do if elected.

This is arguably the most important part of the manifesto, as it gives students an idea of how you would carry out the role and of the direction in which you would want to take the services and activities within the remit. Most candidates make at least a few specific pledges, giving an indication of their priorities for the coming year.

It is important to remember that the points above are just a guide to things which are often included in manifestos. You do not have to include all of these elements, or indeed any of them.

In your manifesto, you can write what you like, so long as:

- It does not exceed the word limit (500 words for Sabbatical positions, 200 for all other positions),
- It does not contain any offensive or factually inaccurate material (The Returning Officer may judge whether something is offensive or factually inaccurate).

This rule is in the SRC election regulations, and so must be adhered to.

Please send an electronic copy of your manifesto to elections@src.gla.ac.uk

#### 8. SPENDING LIMITS

#### **SABBATICAL POSITIONS**

Candidates must submit receipts, for any spending on their campaign before 4pm the day after the close of polling.

Candidates must not spend more than £200.

#### NON SABBATICAL POSITIONS

Candidates are encouraged to keep receipts, for any spending on their campaign made within the campaign period should any allegations of overspend arise.

#### Candidates must not spend more than £50

These are absolutely not targets or guidelines for what candidates should spend but are an upper limit of what is permitted. Candidates should feel no pressure to spend to the limit as campaign spend and electoral success do not correlate. Candidates are encouraged to think creatively about how they are engaging with students during the campaign period.

Only members may make an allegation of overspend by a candidate. Any allegation must be made in writing to the Deputy Returning Officer (<u>elections@src.gla.ac.uk</u>). No allegations received 48 hours after the announcement of results will be investigated or considered.

The Returning Officer shall decide whether to investigate any allegations of overspend and retains the right to invalidate the nomination of the offending candidate, or disqualify a successful candidate subject to their discretion.

If it is not possible to produce receipts of spending on campaign materials, then materials will be counted at the average cost of comparable material purchased by other candidates.

#### 9. INFRINGEMENTS

Any malpractice leading to an infringement of these or other rules governing an election should be reported to the Deputy Returning Officer or SRC President, who will immediately inform the Returning Officer. The Returning Officer retains the right to invalidate the nomination of the offending candidate, or disqualify a successful candidate subject to their discretion.

#### 10. POLLING

- i. All elections will be held by secret ballot which will normally be online and will be decided by the following single transferable voting system:
  - Online ballot papers will be marked in order of preference
  - Voters will have the option to spoil their ballot paper by clicking on the appropriate box
  - In the Spring elections, all sabbatical positions and uncontested positions will allow students to vote to "Re-Open Nominations"

The number of votes required to secure election shall be:

Total No. of Votes Cast - (Total No. NTS) +1

Number of Vacancies +1

This figure will be referred to as the quota.

NTS = Non-Transferable and spoilt votes.

- If a candidate receives more than the quota, all that candidate's votes will be split according to the next available voting preference.
- If no candidate in any count fulfils the quota the votes cast for the bottom candidate in the count will be divided according to the next available candidate. If more than one candidate ties for bottom place in the count, the candidate with fewest first preferences will be eliminated. If this occurs in the first round, it will be decided by drawing lots.

#### 11. RECYCLING DURING ELECTIONS

Campaigning can create a lot of waste and mess across campus. As a candidate you are responsible for ensuring that all of your campaign materials are removed from campus before the results are announced. Please encourage your voters and fellow campaign team to recycle any used materials.

#### 12. RESULTS

- i. The results of the election will be supervised by the Returning Officer.
- ii. The declaration of results shall take place in Room 201, McIntyre Building after the election ends at around 6.30 p.m. on Thursday 17<sup>th</sup> October 2019.
- iii. Candidates who are present at the declaration shall be informed of the result of the election by the Returning Officer beforehand if they chose to be.
- iv. In the event of a tie, a by-election will be held for the seat in question. All questions relative to the validity of an election must be submitted to the Returning Officer within 48 hours of announcement of the result. Decisions on any such questions shall be made by the Returning Officer, who may consult with the Secretary of the University Court. If any election is declared invalid, a by-election will be held.

### Statement of agreement

I hereby agree to abide by the SRC Candidate Regulations and understand that it is my responsibility to ensure that anyone campaigning on my behalf abide by the regulations. I also understand that infringement of these Regulations by me or anyone campaigning on my behalf may result in my disqualification from the election.
